“ Benefits for Indian Businesses

Unlock the North American Market

CI EXPO 2025 provides a powerful platform for Indian SMEs and exporters to gain direct access to Canada's stable, high-income consumer base and well-connected trade ecosystem.

Key Canadian Sectors That Benefit:

- Infrastructure & Clean Energy
- Education & EdTech
- Food & Agri-Tech
- Healthcare & MedTech
- Financial Services & Fintech

From local success to global scale — CI EXPO empowers Canadian businesses to grow through Indian partnerships.

CI EXPO serves as a strategic gateway for Canadian entrepreneurs, SMEs, and corporations looking to explore high-potential markets in India. With direct access to Indian suppliers, investors, and innovators, Canadian businesses can expand their operations, reduce sourcing costs, and tap into a vibrant ecosystem of talent and technology.
